

Parent Voices Count is a group of parents who in recent years have been told that their child has a life-threatening or life-limiting illness. We are working to improve children's health care services.

Please write your suggestions here and return to Parent Voices Count. If you would like to be more involved or for us to respond, please leave your contact details.

We are creating an A-Z guide of helpful hints & tips (from one parent to another). **We need your help!**

What would you like to see in this guide?

Do you have any helpful advice to pass on to other families?

What is the most useful thing you've learnt in relation to your child's care?

We are holding several meetings to begin creating the guide, based on the entries we receive. The first of which are as follows:

5th March 2015, 10.30am-12pm at Liverpool Central Library, Meeting Room 1, William Brown Street, L3 8EW.

9th March 2015, 6pm-7.30pm at the Rainbow Trust Offices, Chambers Business Centre, Oldham, OL8 4QQ.

Please come along if you would like to be further involved in creating this project with Parent Voices Count. The more the merrier. Please let Lizzi Aizlewood (details overleaf) know if you are hoping to come to one or both so we can get enough refreshments!

Please continue overleaf. ANY and ALL ideas welcome!
